### About Us

SYMBiHOM is a Woman Owned Business founded by a construction veteran who saw a better way to build. Our pre-inspected prefabricated modular building systems improve quality and predictability in the field, minimize equipment, labor and time on site to speed completion of improvements. We aim to make everyday living more efficient, convenient, and comfortable with an expedited delivery. SYMBiHOM is passionate about unlocking the potential of homes to meet the homeowner's needs through unique and innovative approaches, aiming to create environments that are not only functional but also inspire and delight homeowners.

### Service List (Turnkey End to End)

- Custom Modular Backyard ADUs
- Studio, 1 & 2 BR Garage Conversions
- Garage Expansion Conversion ADUs
- Walkout Basement Room Conversion ADUs
